RESOLUTION

Passed by the Governing Body of
Lady Irwin College in its meeting
held on 27th May, 2011

Agenda Item No.2.2:

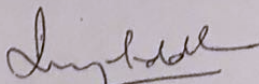

Letter dated 1st December, 2010 from the Department of
RMDA regarding commencement of Course in
AUTOCAD for M.Sc. final year students.

The Department of Resource Management and Design Application (RMDA) introduced a Course in AUTOCAD for M.Sc. final year students, Specialization A: Space and Product Design which was covered in 86 hours starting from 2nd December, 2010. A total fee of Rs.5000/- was charged from the students to meet cost of teachers and to see feasibility. The Course Coordinators were Dr. Puja Gupta, Dr. T.G. Rupa and Dr. Sushma Goel.

The course details and budget break-up were put up as annexures. The course is found to be useful for M.Sc. students. The department recommends offering course in future as well, but recommends the fee to be Rs.6000/-. Note on Certificate Course in AUTOCAD 2D & 3DS MAX containing proposed budget, course content etc. from the Course Coordinator was put before the Governing Body as an annexure.

The Governing Body was requested to accord its approval for the same and permit giving certificates to the students in future and post facto. In view of costing more than three years ago, the rise in fee should be Rs.6000/- per module for Retail Course also. In this regard, note on Certificate Course in Retail Management from the Course Coordinator was put up before the GB.

"After having detailed deliberations, the Governing Body approved the above course and further decided to raise the fee per certificate course to Rs.6000/-. They observed that certificates should be given to students. All Departments should be told not to take post facto approval."
